EXPERIENCE

Full Stack Developer (Intern)

October 2024 – February 2025

Peaks2Tails

Remote Internship

- Developed a full-stack study platform using Next.js for university students across all branches, providing a seamless and interactive learning experience.
- Built a comprehensive study resource hub with academic materials, competitive exam preparation content, and college-related information tailored for students.
- Designed and implemented a robust backend and database with optimized APIs to manage college and student-related data efficiently.

Full Stack Developer (Assistant Team Leader) (Digital Marketing)

December 2024 – March 2025

GAO Tek Inc.

Remote Internship

- Developed a full-stack E-Commerce web application using Next.js, React.js, MongoDB, Express.js, Bootstrap, Node.js, JSX, TSX, and the MERN stack, providing a seamless shopping experience for users.
- Implemented key e-commerce functionalities, including user authentication (sign-up, log-in, log-out), product filtering by categories, cart management, and secure checkout.
- Designed and optimized a robust backend and database, ensuring efficient handling of user data and product information.
- Created interactive web components, such as dynamic contact forms and animated carousels, enhancing user engagement and experience.

TECHNICAL SKILLS

Languages: HTML, CSS, JavaScript, TypeScript, Java, JSX, C/C++, MySQL, PostGreSql

Frameworks: Next-js, React-js, Node.js, Tailwind-CSS, Bootstrap, Express.js, Wordpress

Developer Tools: Git, VS Code, Vite, Github, Deployment, IntelliJ, Prisma

Libraries: React.js, Node.js, MongoDB, MERN stack

Skills: Next-js, MongoDB, React-js, Express-js, TypeScript, Node.js, Bootstrap, JSX, TSX, Tailwind-CSS, Vite, Prisma, Mongoose, APIs, Github, Git, JAVA, C++, JavaScript, Html, CSS, Full-Stack-Web-Development.

PROJECTS

Study Platform for University Students | *Next.js, Node.js, PostGreSql, Prisma, Tailwind, Api*

- Developed a full-stack study platform on Next.js, designed for university students across all branches to access study materials, academic resources, and exam preparation content.
- Implemented key features, including a centralized hub for study resources, college-related information, and competitive exam preparation materials.
- Designed and developed a robust backend and database, efficiently managing student and college-related data through optimized APIs.
- Enhanced user experience with a modern, responsive UI using Tailwind CSS, ensuring seamless navigation and accessibility.

E-Commerce Website | *Next.js, React.js, Node.js, Express.js, MongoDB, Tailwind-Css, React-icons*

- Developed a fully functional full-stack e-commerce web application using the MERN stack, providing a seamless shopping experience for users. Designed and optimized a scalable backend and database, ensuring efficient product and user data management.
- Implemented essential e-commerce features, including user authentication (sign-up, login, logout), product filtering, cart management, and secure checkout. Integrated a modern UI with Tailwind CSS, enhancing responsiveness and user experience.

EDUCATION

Bhagwan Parshuram Institute of Technology

Delhi

Bachelor of Technology in Information Technology

Aug. 2023 – May 2027

Army Public School Janlgot

Jammu, Kathua

Non-medical, Class XII, 86.6

Aug. 2022 – May 2023
